Thank you for scheduling your test on the CATGlobal Testing Network! We appreciate your business!

This page lists all online and offline tests for which you've registered.

If you have made an appointment to take an offline test at a test center, be sure to print this receipt and bring it along with any other necessary materials to the test center.

If you have registered for an online test, click **Start Test Now**. If you plan to take this test later, login to CATGlobal and click **View Schedule** under **My Tasks**.

Good luck!

**IMPORTANT:** To keep your account secure, please [log out](#) when you have finished.
